MEET THE DIRECTOR

Cindy Rivers began ACT in 2006 to give kids 8-19 a chance to participate in theatrical productions by either acting on stage, working the crew or helping with other facets of theatre. She says, " This semester has been more laid back with a smaller cast and fewer lines to learn. Improv is always fun and

interesting. You never know what will be said or what will happen next."

My favorite color has always been yellow...it just makes me happy.

MEET THE PRODUCTION CREW

Jeffrey Fowler (Technical Director, Associate Director) My right hand man...takes care of all the tech stuff...Yay! His favorite color is turquoise ... just because.

Shannon Bentley (Assistant Director) Shannon has filled in for me this season at times and is learning the directing ropes which she will wrangle on her own in ACT, sr this summer. Her favorite color is purple but she knows not why.

Kaity Wilkerson (Improv Assistant Director/ Technical Director;s Assistant) Kaity will be helping Jeffrey backstage with tech stuff and running it on Sunday in Jeffrey's absence. She is also participating in the improv sessions as a leader. Her favorite color is yellow ever since like forever.

MEET ACT XVII

Lillie Bruce (Joanne Worley, Chorus) Lillie joined ACT in our ninth season as one of the orphans in "Annie". She has participated in nearly every production since, leading up to her part as Mary in "Mary Poppins" last fall. Lillie's favorite color is purple because it's the color of her birthstone, amethyst and her aunt's favorite color, too.

Mycala Hilson (Goldie Hawn, Dentist*, Princess Leia) This is Mycala's fifth performance with ACT. Her plans are to achieve a degree in education & theatre and teach high-school drama. Mycala's favorite color is white because it is like a blank canvas to paint however she wishes.

Mary Charles Johnson (Judy Carne, Patient*, Pilot) Mary Charles joined ACT last season as Jane in "Mary Poppins". She has enjoyed learning improve and has a sweet disposition and wonderful sense of humor. Mary Charles' favorite color is yellow because it's bright & cheerful and makes her happy.

Sarah Letteer (Lily/Ernestine Tomlin,) is a home schooled junior. She has been with ACT for fifteen seasons. She likes psychology and thinks she will do a good bit of public speaking. Sarah's favorite color is red for vitality and strength.

Danny Roush (Dan Rowan, Darth Vader) is a sophomore at Briarwood Academy. This is his third ACT production. We think you will be impressed with his darker side... Danny's favorite color is purple because aliens don't wear hats. I'm sure he'll be happy to explain that one.

Audrey Sprinkle (Kathrine Tate/Lauren Cooper, C3PO) is a sophomore at Briarwood Academy. This is her third production with ACT. She wowed us in "As You Like It", and sat out on "Mary Poppins", but now she's back! Audrey's favorite color is red because it is strong, dignified, and reminds hre of war paint & royalty.

Adam Stone (Dick Martin, Stormtrooper) is in 8th grade and home schooled, like his sister, Kaitlyn. This is his fourth play with ACT, and he has proven himself to be very good at improv and comedy in general. Adam's favorite color is blue because he says, "It's the prettiest."

Kaitlyn Stone (Artie Johnson/Lonely Old Man, Stormtrooper) is in the 8th grade. This is her fourth play, and she, like her brother, has a great sense of humor. Kaitlyn's favorite color is red because she believes it's the prettiest color she's ever seen.

Lily Sumerau (Ruth Buzzy/Gladys, R2D2) This is Lily's first ACT!! She has really impressed us all with her talents and work ethic! The older ones stand up and take notice. Lily's favorite color is green because she likes nature & the outdoors AND because it's not pink.

Angie Wilkerson (Dentist*, Captain, Gary Owens) She has been in ACT since 2011. Angie has been studying nursing at the Career Academy plus finishing high school. Her favorite color is purple because she has liked it since she was little.

Elizabeth Wilkerson (Crew, Lise) a home schooled sophomore. We enjoy seeing Bizzy onstage and appreciate her help with lighting & curtains. Her favorite color is hot pink because it's the best color in the world... We won't tell Lily Sumerau that ;)

Tori Wilkerson (Gary Owens, German Soldier, Commander) is a home schooled sophomore. ACT VIII "Twelfth Night" was her first play with us. Tori's favorite color is green because she likes nature & climbing trees...ha! Look at Lily's picture. I think she and Tori have a lot in common.
