

We wish to thank the Warren County High School, Dr. Bishop and staff for allowing us to use this facility for our rehearsals and performances. We would also like to thank Mr. Jeff Schlichter for setting up our sound, the City of Warrenton and Mayor Mimbs for allowing us to use the Warrenton Cultural Center for our rehearsals, and the Warren Co. Board of Commissioners and Chairman John Graham for having our sets moved.

ACT (Area Children's Theatre) is a non-profit organization supported by the ARTS Council of Warren County and by Hometown Warrenton, Inc.. Your physical and monetary support are the essential ingredients, too. We thank you for coming to our presentation, we hope that you enjoyed the show and that you will support and enjoy future presentations by ACT.

ACT VII is slated to begin work on a comedy extravaganza in February 2011, which we hope to present in April. We will hold auditions for upcoming shows, and we are seeking children 8 years old and older to play in the cast and to work in the crew. If you or your child, or grandchild are interested in participating, please leave your name, phone number, and email address with Cindy Rivers. She will contact you when plans are more solid for a February start.

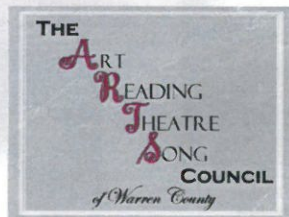

From the Director.....

I want to thank the parents for allowing your children to "Be a part of the ACT". We have had a great time this season working on this murder mystery. Adding new faces to our productions has been wonderful for the kids and for me.

I especially want to thank the kids, or rather, young adults, as some of them are now, for playing their parts, either onstage, backstage, or in the lighting booth. You guys are the greatest and make my day!

By the way, if you were able to see our second production, "Murder by the Book", you may recognize that it was based on this play.

*I hope you all have a blessed Christmas and a wonderful New Year!
...Cindy Rivers*
